RE: Resolution Authorizing the County of Westchester (“County”) to enter into an intermunicipal agreement with the Pound Ridge Fire District (“District”) pursuant to which the District will provide fire protection services to County facilities located in the northern portion of the Ward Pound Ridge Reservation for a term commencing January 1, 2017 and expiring December 31, 2019, in an amount not-to-exceed Twenty Five Thousand ($25,000.00) Dollars.

On March 20, 2017, the Westchester County Board of Legislators adopted Act No. 2017-46 authorizing the County to enter into an intermunicipal agreement (“IMA”) with the District pursuant to which the District will provide fire protection services to County facilities located in the northern portion of the Ward Pound Ridge Reservation which lies in the Town of Lewisboro but outside the coverage area of the District. The IMA will be for a three (3) year term commencing on January 1, 2017 and expiring December 31, 2019. For the services to be provided to the County by the District, the District will be paid the sum of Twenty Five Thousand ($25,000.00) Dollars as follows: for the 2017 calendar year an amount of $8,333.34 payable within thirty (30) days of full execution of this Agreement; for the 2018 calendar year an amount of $8,333.33 payable by January 31, 2018, and for the 2019 calendar year an amount of $8,333.33 payable by January 31, 2019.

The County's agreement with the District for these same services expired on December 31, 2016. In order to continue to respond to the unique environment existing at the Ward Pound Ridge Reservation, the County and the District desire to enter into an IMA whereby the District will provide fire protection services to County facilities located in the northern portion of Ward Pound Ridge Reservation, as depicted in Schedule “A”, attached hereto. Such services will be provided to the County facilities to the same manner and degree and in accordance with all rules, regulations and standards applicable to property located within the boundaries of the District.

The public purpose of the proposed agreement is to enhance fire protection in order to assure the safety and general welfare of the public on the Ward Pound Ridge Reservation, including not only park visitors, but also employees working on the Reservation. The goal of this program is to assure that the District is aware of and prepared to handle the unique circumstances,
challenges and operating procedures associated with providing fire suppression to the Reservation. Department staff will monitor contract compliance and performance.

I recommend your favorable consideration of the annexed proposed Resolution.
