

## 11019

**TO:** Board of Acquisition and Contract

**FROM:** John J. Hsu, P.E.

Acting Commissioner of Public Works

**DATE:** April 27, 2010

**SUBJECT:** Resolution for Authority to Advertise

Contract No. <u>10-212</u>

Hydrant and Valve Replacement - Phase VI

County Water District 1 and 3 Yonkers and Valhalla, New York

The 2010 Non-Recurring Account contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace hydrants, vent hydrants, valves and water meters including all required piping, fittings, appurtenances, testing and site restoration.

The objective of this contract is to replace deteriorated hydrants, valves, piping and joints.

This contract is in the public's best interest because it will provide an environmental benefit by eliminating potential leaks and reducing overall water usage, thus addressing the County Executive's priority area: Health and the Environment (HE).

If this resolution is not approved, the existing hydrants, valves and piping will continue to deteriorate, resulting in more costly repairs.

The department will utilize Primavera Software Management tools to track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
