The approval of five (5) Subcontractors has been requested by SISCA Northeast, Inc., c/o Brewster Business Park, 1944 Route 22, Brewster, New York 10509 for the above referenced contract.

SISCA Northeast, Inc. ("SISCA") canvassed all available (total of 6) MWOB firms for chain link fencing work (2 firms), stucco work (3 firms), and hand railing installation work (1 firm). Of those six (6) firms, one (1) did not respond to SISCA's inquiry; one (1) firm cannot accommodate the required contract schedule; and four (4) submitted proposals that exceeded the budgeted amount for the type of work requested.

In addition, for synthetic turf system work, SISCA reviewed the Westchester County MWOB database and there were no qualified MWOB firms currently registered to perform this type of work.

The listed Subcontractors have been investigated, and the Department of Public Works recommends approval.

Resolution to accomplish the foregoing is attached.
