TO: Board of Acquisition and Contract

FROM: John J. Hsu, P.E.
Acting Commissioner of Public Works

DATE: June 3, 2010

SUBJECT: Resolution for Authority to Advertise
Contract No. 10-215
Replacement Of Security Culvert
Westchester County Airport
Towns Of Harrison And North Castle And Village Of Rye Brook, New York

The 2010 Operating Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to remove and replace the existing security culvert and walkway. The project also includes installation of new security grills and fencing along with stream bank protection.

The objective of this contract is to maintain the integrity of the Airport's perimeter security fencing.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Airport meets standards for facility security, thus addressing the County Executive's priority area: Safety and Security (SS).

This project will provide an environmental benefit by improving stream bank protection thus eliminating erosion.

If this resolution is not approved, the Airport's security perimeter could potentially be breached.

The department will utilize Primavera Software Management tools to track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

Payment for this entire contract will be made from the Airport Special Revenue Fund, not the County General Fund and will not impact the County tax levy.
