SUBJECT: Resolution Authorizing the Agreement Between the County of Westchester and the Suburban Green Housing Development Fund Corporation for the Acquisition and Rehabilitation of the Foreclosed two-family home located at 218 South Ninth Avenue in the City of Mount Vernon

The attached resolution authorizes the County of Westchester to enter into an agreement with the Suburban Green Housing Development Fund Corporation to provide a grant through the Neighborhood Stabilization Program (NSP). The grant will be used for the acquisition and rehabilitation of the foreclosed two-family home located at 218 South Ninth Avenue in the City of Mount Vernon. The term of the agreement is July 1, 2010, to June 30, 2011, and the total amount of the grant is \$647,900.00, to be paid pursuant to an approved budget.

Suburban Green Housing Development Fund Corporation is a subsidiary corporation of the Housing Partnership Development Corporation created specifically to assist with housing development and redevelopment. They create affordable housing partnerships between Cities or other local governments including Counties and States, and the private sector, in order to build affordable homes that will stimulate economic growth and revitalize neighborhoods. In their 25 year history of doing business, they have developed more than 30,000 affordable homeownership and rental units which has leveraged more than \$2.8 billion in private sector financing. They have an additional 4,000 units in the construction or predevelopment phase. Suburban Green Housing Development Fund Corp. will acquire, rehabilitate and carry the property located at 218 South Ninth Avenue in the City of Mount Vernon, for approximately nine (9) months.

The entity will be responsible for the maintenance and carrying costs of the property from acquisition through to resale to an income eligible buyer. Maintenance includes the physical tending to of the property and the payment of all costs during the limited ownership, including, but not limited to, payment of taxes and insurance.

Upon the completion of the rehabilitation of the property, the entity will sell the property to an income eligible buyer at a price determined by the County. Upon this sale, the balance of funds from the purchase price paid by the homebuyer, will be returned to Westchester County.

The agreement will serve the public purpose of creating affordable housing units in Westchester County.

The goal and objective of this agreement is to provide affordable housing to low income families in Westchester County. The project will be monitored by the Department of Planning staff, which will oversee the acquisition, rehabilitation and provide approval for the unit to be sold to an income eligible homebuyer who has been selected pursuant to an approved Fair Housing Marketing Plan. The Department of Planning staff will also monitor ongoing occupancy as the primary residence by the new owners, and will monitor any resale or refinance to assure that the units are maintained as affordable housing for the term of affordability. Site visits will be made by the Planning Department staff to ensure the properties have been rehabilitated according to the contract specifications.

Should the agreement not be approved, this foreclosed and abandoned property may become an eyesore, blighting the neighborhood, which could jeopardize the health and safety of the residents of this neighborhood, and this property would be lost to the County as a viable affordable housing unit. This procurement is in compliance with the County of Westchester Procurement Policy Procedures, pursuant to Section 3(a)xvi, which states that contracts with recipients for disbursement of grants or loans under the Community Development Block Grant Program are exempt, of which NSP is a part.

On February 19, 2009, the Board of Acquisition and Contract approved a resolution authorizing the County of Westchester to enter into an agreement with the State of New York Housing Finance Agency for a grant totaling \$6,680,000.00 and a grant of \$640,000.00 from the Affordable Housing Corp. for a total amount of \$7,320,000.00.

I recommend approval of this agreement.
