**DATE:** August 9, 2010

**TO:** Board of Acquisition and Contract

**FROM:** Grant E. Mitchell, MD, Acting Commissioner  
Department of Social Services

**SUBJECT:** Authority to amend an agreement with Singer Holding Corporation d/b/a Robison Oil (DSS 742-09) to provide employment to one TANF eligible individual under the Transitional Jobs Program in an amount not to exceed \$7,280 for the period November 1, 2009 through October 31, 2010 by: 1) increasing the amount not-to-exceed by \$14,560 from a total amount not to exceed \$7,280 to a new total not to exceed amount of \$21,840 to be paid in accordance with approved budget; and 2) extending the contract termination date from October 31, 2010 to December 31, 2010

---

On or about November 7, 2009, the County of Westchester, acting by and through its Department of Social Services, Office of Workforce Investment, entered into an agreement with Singer Holding Corporation d/b/a Robison Oil (DSS 742-09) to provide subsidized employment for one Temporary Assistance for Needy Families (“TANF”) eligible individual under the Transitional Jobs Program. The agreement entered into was in an amount not to exceed \$7,280 for the period November 1, 2009 through October 31, 2010 (the “Agreement”).

As this Honorable Board may recall, the Westchester County Department of Social Services (WCDSS) is sub-contracting \$300,000 from the Office of Temporary Disability Assistance (“OTDA”) award to the Westchester Investment Board (WIB) to establish a Transitional Jobs Program. The WIB will service 35 TANF participants for the period of October 1, 2009 through December 31, 2010.

Authority is now respectfully requested to amend the Agreement by: 1) increasing the amount not to exceed by \$14,560 from an amount not to exceed \$7,280 to a new total not to exceed amount of \$21,840 to be paid in accordance with an approved budget; and 2) extending

the contract termination date from October 31, 2010 to December 31, 2010. The proposed amendment will be at no additional cost to the County as the additional funding will be provided via a grant from the Office of Temporary Disability Assistance (“OTDA”). The additional funding will be used to cover the cost associated with the services provided during the extended term and the employment provided to two more TANF eligible individuals pursuant to this amendment.

**The proposed agreement will serve a public purpose** by providing subsidized employment for low or no income TANF eligible customers of Westchester County Department of Social Services that will help them gain work experience and reduce their reliance on public assistance.

**The goals and objectives of this proposed agreement** are to provide full time employment, education and training for three TANF eligible recipients who lack adequate job skills and/or work history.

These **goals and objectives are in the best interests of the County in terms of fiscal responsibility** because the proposed agreement will be funded via a grant from the OTDA; therefore, the training and subsidized employment of the TANF recipients will be at no cost to the County. Accordingly, the potential for a reduction in the need for public assistance and increased tax contributions by those employed will be of direct benefit to the County and the entire WIB area.

The **goals and objectives will be tracked and monitored** via monthly reports and site visits.

Except as specifically amended hereby, all other terms and conditions of the Agreement shall remain in full force and effect.

Accordingly, authority is respectfully requested from your Honorable to amend the aforesaid agreement for the purposes stated above. An appropriate resolution is attached herewith for your Honorable Board’s consideration.
