Authority is hereby requested to enter into an agreement with the New York State Office for the Aging ("NYSOFA") to accept an American Recovery and Reinvestment Act of 2009 ("ARRA") Communities Putting Prevention to Work: Chronic Disease Self-Management Program grant in an amount not-to-exceed \$24,750 to implement peer-to-peer health education and prevention training under the Chronic Disease Self-Management Program (CDSMP) for the Mid-Hudson Valley of New York State for the period April 1, 2010 through March 31, 2011.

The proposed agreement will serve a public purpose by providing Westchester County seniors with services and activities that will foster good health, increase awareness and understanding of healthy lifestyles and promote physical and mental health. These services may include: peer-to-peer education classes; promotion of early detection of various chronic diseases through peer education; training sessions on how to self-manage chronic diseases; the promotion of early detection of various health problems through education and/or testing; stress education and medication management workshops, and the administration of influenza and other vaccines.

The goals and objectives of the proposed agreement are to promote the development of wellness activities and preventive health activities that will promote good health in Westchester County seniors by increasing their awareness and knowledge of how to self-manage chronic diseases and develop healthy lifestyles.

The goals and objectives of the proposed agreement are in the best interests of Westchester County in terms of the promotion of public health, as the aim of the services to be funded by the grant is to reduce or delay hospitalizations or institutionalization, thereby reducing Medicaid costs for the County, State and Federal governments and improving the general well-being of the County's elderly.

The goals and objectives of the proposed agreement will be tracked and monitored through monthly reporting activities and onsite reviews to determine if the contract's performance goals and objectives are being met in a fiscally responsible and appropriate fashion.

Accordingly, I recommend adoption of the proposed resolution.
