

15023

TO: Board of Acquisition and Contract

FROM: John J. Hsu, P.E.
Commissioner of Public Works

DATE: November 3, 2010

SUBJECT: Resolution for Authority to Advertise
Contract No. 10-561
Installation of Energy Efficient Lighting
Central Maintenance Facility
475 Saw Mill River Road
Yonkers, New York

The 2010 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace the existing lamp fixtures in the Central Maintenance Facility with energy efficient LED fixtures.

The objective of this contract is to convert the Central Maintenance Facility lighting to energy efficient LED fixtures.

This contract is in the public's best interest because it will promote the health and safety of the general public by maintaining proper lighting levels within the maintenance facility while providing an energy savings by reducing energy consumption, thus addressing the County Executive's priority areas: Safety and Security (SS) and Fiscal Responsibility (FR).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
