

15492

TO: Board of Acquisition and Contract
FROM: John J. Hsu, P.E.
Commissioner of Public Works
DATE: November 22, 2010
SUBJECT: Resolution for Authority to Advertise
Contract No. 10-531
Installation of New Water Service
Tibbetts Brook Park
Yonkers, New York

The 2010 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for the installation of a new water service into the Tibbetts Brook Park Bathhouse. The project also includes installation of new backflow prevention, water main valves and interconnections along with construction of enclosures, site restoration and plantings.

The objective of this contract is to replace the existing undersized water main serving the bathhouse and the water park.

This contract is in the public's best interest because it will promote the health and safety of the general public by providing the required volume of water to operate the bathhouse and the water park, thus addressing the County Executive's priority area: Health and the Environment (HE). There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
