RE: **Resolution authorizing the County of Westchester to exercise the first renewal option of its agreement with Public Safety Psychology, PLLC to provide psychological testing for correction officer candidates in an amount not to exceed Twenty Thousand Dollars for a one year period commencing January 1, 2011 and terminating December 31, 2011 under the same terms and conditions**

Authority is requested for the County of Westchester (the "County") to exercise the first renewal option for its agreement with Public Safety Psychology, PLLC (the "Contractor") pursuant to which the Contractor will provide psychological testing for correction officer candidates, for which the County will pay the Contractor an amount not to exceed Twenty Thousand (\$20,000.00) Dollars at a rate of \$275 per evaluation, pursuant to an approved budget for the one year period commencing January 1, 2011 and continuing through December 31, 2011. By resolution dated November 24, 2009, your Honorable Board authorized the original agreement with the Contractor for the same services, the same amount not to exceed and the same hourly rate for a term of January 1, 2010 through December 31, 2010 and also authorized the County's option such agreement for up to four additional years. The 2010 agreement was executed.

This agreement is exempt from the Westchester County Procurement Policy pursuant to Section 3(a) viii of the Policy.

The goals and objectives of this agreement are to effectively and comprehensively screen potential correction officer candidates for psychological suitability prior to offering employment at the Department of Correction. Through a multi-year contract, DOC will benefit from continuity with a vendor that will be familiar with the Department's expectations concerning its workforce.

The goals will be tracked by direct contact between the Special Investigations Unit and the vendor, spot checks of the screening process (i.e. ensuring that candidates are examined for the full duration of time required under the contract), firsthand review of all final reports and invoices generated by vendor by Special Assistant to Commissioner.

The public purpose is to ensure that the Department of Correction successfully screens all candidates in an effort to ensure that it is offering employment to individuals who are psychologically suited for working in a correctional setting.

Accordingly, approval of the attached resolution is most respectfully requested.
