RE: **RESOLUTION AUTHORIZING THE COUNTY OF WESTCHESTER TO ENTER INTO AN AGREEMENT WITH THE NEW YORK STATE DIVISION OF CRIMINAL JUSTICE SERVICES IN AN AMOUNT NOT TO EXCEED \$149,075 IN STATE FUNDS FOR THE DEPARTMENTS OF PUBLIC SAFETY AND PROBATION TO PARTICIPATE IN OPERATION IMPACT FOR THE PERIOD JULY 1, 2010 TO JUNE 30, 2011, PURSUANT TO AN APPROVED BUDGET**

Authority is sought for the County of Westchester to enter into an agreement with the New York State Division of Criminal Justice Services in an amount not to exceed \$149,075 in State funds for the Departments of Public Safety and Probation to participate in Operation Impact for the period July 1, 2010 to June 30, 2011, pursuant to an approved budget.

The \$149,075 in State funds will support field intelligence officer/analyst positions in the Departments of Public Safety and Probation as well as participation in state-sponsored events. No County funds are required for the operation of this program.

Operation Impact is a statewide initiative to reduce violent crime in local jurisdictions through improved coordination among federal, state and local criminal justice agencies using data driven strategies. The program would therefore serve a public purpose by promoting public safety for the residents of Westchester County by reducing violent crime in the targeted jurisdictions of Yonkers and Mount Vernon, municipalities with the highest crime rates in the county.

The performance measures for Operation Impact for the 2010/2011 contract are as follows:

- To attend meetings of the Westchester County IMPACT Partnership in order to evaluate crime data for patterns and trends and assess the IMPACT VII strategy for crime reduction

- To continue the enhancement of the Crime Field Intelligence Officer within the Westchester County Department of Public Safety and crime analysis capabilities within the Westchester County Probation Department
- To implement the joint agency initiative as outlined in the IMPACT VII strategy to directly combat violent crime in Westchester County with support and assistance from the other law enforcement partners

In the previous term, Public Safety and Probation were represented at all monthly Impact Partnership meetings, as well as the weekly Field Information Officer (FIO) meetings. Probation conducted 179 residential checks in collaboration with the Yonkers and Mt. Vernon Police Departments. The residence checks completed were targeted towards probationers living in areas known for drug abuse, high-risk offenders, and/or young offenders who were considered to be involved in gang activity.

Public Safety's FIO coordinated and attended 49 weekly intelligence sharing IMPACT FIO meetings, and generated 49 IMPACT FIO Intelligence Briefing bulletins from the information gathered at the FIO weekly meetings. These briefing bulletins were disseminated by the Department of Public Safety IMPACT FIO to the Westchester County IMPACT partnership agencies' FIOs and management. The Department of Public Safety FIO also directly assisted partnership agencies in 12 violent crime investigations, handled 59 intelligence inquiries and generated fifteen violent crimes and narcotics intelligence products from information collected from and/or for the Westchester IMPACT Agencies and NY-HIDTA and NE-HIDTA. Public Safety also directly assisted in a two day warrant sweep with the Mt. Vernon Police Department.

Approval of this resolution would allow continued support for the Cities of Mount Vernon and Yonkers. The operation IMPACT funds provide an opportunity to enhance these cities crime abatement strategies and preventative security measures at a time when they are facing formidable and complex challenges to public safety in their jurisdictions. The additional late night and weekend resident checks, debriefings, joint operations between the local police departments and the level of intelligence shared among the Impact partners significantly increases these cities' opportunities to bring down their crime rates and thereby giving the residents better protection and providing enhanced public safety in crime driven neighborhoods.

Wherefore, authority is respectfully sought for the County to enter into this agreement.
