SUBJECT: Resolution for Authority to Advertise
Contract No. 11-505
Refurbish Hangar "A" High Voltage Switch
Westchester County Airport
Towns Of Harrison And North Castle And Village Of Rye Brook, New York

The 2011 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to restore the Hangar "A" high voltage switch to full operative condition.

The objective of this contract is to maintain high voltage switchgear equipment for continuous and uninterrupted operation.

This contract is in the public's best interest because it will promote the health and safety of the general public by allowing Airport Facilities to remain operational, thus addressing the County Executive's priority area: Safety & Security (SS). There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

Payment for this entire contract will be made from the Airport Special Revenue Fund, not the County General Fund and will not impact the County tax levy.
