FROM: John J. Hsu, P.E.
Commissioner, Department of Public Works and Transportation

DATE: February 14, 2011

SUBJECT: Authorization to extend the term of Agreement No. 97-921
with Savin Engineers, PC, until December 31, 2011

Authority of your Honorable Board is requested to extend the term of Agreement No. 97-921 between the County of Westchester and Savin Engineers, PC, 3 Campus Drive, Pleasantville, New York 10570, for the provision of engineering services in connection with Primary Digester Roof Replacement, Yonkers Joint Wastewater Treatment Plant, Yonkers, New York until December 31, 2011. The original agreement commenced on March 23, 1998, and is for a total amount not to exceed \$4,830,331.00.

The County has been satisfied with the quality of services provided to date. The professional services of Savin Engineers, PC will be required beyond the original completion date for design services during construction and construction administration for the Primary Digester Roof Replacement, Yonkers Joint Wastewater Treatment Plant. The project was delayed due to the amount of grit in the digester tank that needed to be properly cleaned and removed by the County before the contractor could proceed with the contract work. Attached is a Resolution requesting an extension of the agreement until December 31, 2011, with no increase in the not to exceed amount of \$4,830,331.00.

The objective of this project is to upgrade and modernize the Primary Digester Roof at the Yonkers Joint Wastewater Treatment Plant, Yonkers, New York. This project is in the public's best interest because it will provide an up to date roofing system, thereby promoting the health and safety of employees and the general public by ensuring that the pump station's operations are safe and environmentally compliant.

The department will track scheduling and accomplishments by the consultant and perform on-site inspections to ensure the successful completion of tasks. It is recognized and understood that the County shall evaluate the performance of this contract by the consultant and shall use such evaluation in deciding to award future contracts to the consultant.

I urge your favorable consideration of the annexed proposed Resolution.
