RE: **Authority for the County of Westchester to enter into an agreement with the Westchester Library System, for the period commencing January 1, 2011 through December 31, 2011, in an amount not to exceed \$1,000,000, pursuant to which the Library will provide a cataloging and inter-library loan program, an outreach to youth program, a system-wide delivery service for Westchester residents, and career and educational counseling services**

Authority is hereby requested for the County of Westchester (the "County") to enter into an agreement with the Westchester Library System (the "Library"), pursuant to which the Library will provide various services to Westchester residents, including, but not limited to, a cataloging and inter-library loan program, an outreach to youth program, a system-wide delivery service, and career and educational counseling services for the period commencing on January 1, 2011 and continuing through December 31, 2011 (the "Agreement"). In consideration for services to be rendered, the County shall pay the Library an amount not-to-exceed \$1,000,000, payable quarterly pursuant to an approved budget.

The services provided pursuant to this agreement will serve a public purpose by providing Westchester residents free access to books, CDs, DVDs and magazines, as well as special exhibits on topics of educational or cultural interest.

The goals and objectives of this program are:

- to continue to develop and maintain an online catalog available to all Westchester residents so that they can search the catalog from the convenience of their own homes and place holds on any circulating item in any of the County's 38 libraries that participate in the intralibrary loan system;
- provide educational and social activities for adolescents, with emphasis on working with underserved youth;
- operate a delivery service to route those holds to the various libraries;
- provide career and educational counseling services for reemployment, career change and educational guidance for adults.

The goals and objectives will be tracked and monitored using the performance measures developed by the County and approved by the Budget Office, which include quarterly statistical reports provided by the Library and annual meetings between the County and the Library to evaluate the scope of the services being provided.

This Agreement is exempt from the Westchester County Procurement Policy pursuant to Section 3(a)xiii thereof.

Accordingly, authority to enter into an agreement with the Westchester Library System for the purposes as herein described is requested.
