TO: Honorable Members of the Board of Acquisition and Contract

FROM: Diane G. Balistreri
Coordinator, Office for Women

DATE: April 21, 2011

SUBJECT: Authority to enter into an agreement with Empire Justice Center to provide various legal services for immigrant men and women who present problems associated with immigration, housing, employment, education, health and other systems for an amount not-to-exceed \$98,205 for the period January 1, 2011 to December 31, 2011

The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester (the "County") to enter into an agreement (the "Agreement") with Empire Justice Center ("EJC") to provide various legal services for immigrant men and women who present problems associated with immigration, housing, employment, education, health and other systems, for the period January 1, 2011 to December 31, 2011, for an amount not-to-exceed Ninety-Eight Thousand Two Hundred Five Dollars (\$98,205), to be paid quarterly pursuant to an approved budget.

The proposed Agreement will serve a public purpose by providing legal assistance to immigrant men and women of Westchester. Immigrants seeking legal relief have extra burdens such as language and cultural barriers vis-à-vis using the courts and the legal system. Because of immigration issues, they may be fearful of the legal system. Legal assistance can keep these individuals from having to remain dependent on social service systems and help them mainstream into the American culture.

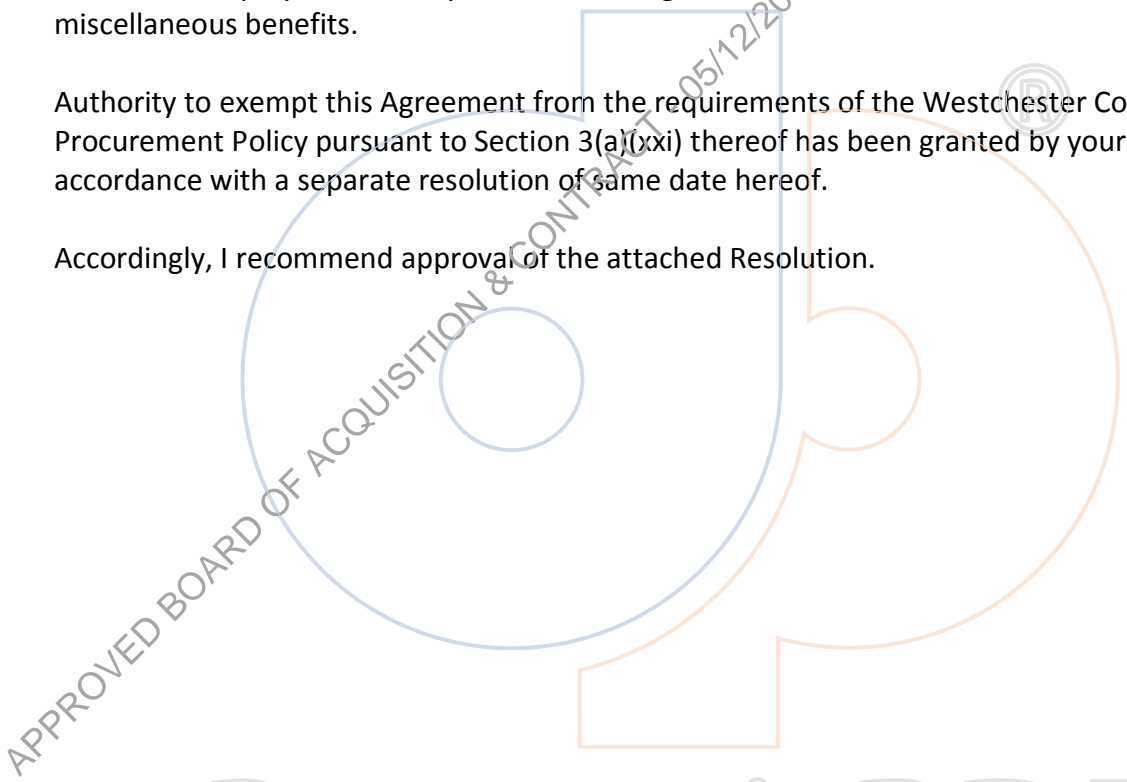

The goals and objectives of the proposed Agreement (as more fully described in Schedule A) are for EJC to provide 250 individuals with advice and counsel as well as initiate 70 new cases. In addition, they will hold six educational community events. During the previous (15-month) contract term, EJC provided nearly 280 individuals with advice and counsel, initiated 70 new cases and held 12 community events.

The primary focus of the legal assistance to be provided will be on assisting immigrants with immigration proceedings, especially as they relate to securing work authorizations which will help provide financial stability to these immigrants and their families, and in ensuring that they are paid the corresponding wage for the work they perform.

The goals and objectives of the proposed Agreement will be tracked and monitored by the Westchester County Office for Women, which will be responsible for monitoring EJC's performance under this Agreement by means of site visits, as well as their monthly statistics and quarterly narratives. The effectiveness of this program will be determined by the outcomes of closed cases. Outcome areas include matters dealing with consumer/finance, education, employment, family, health, housing, income maintenance, individual rights and miscellaneous benefits.

Authority to exempt this Agreement from the requirements of the Westchester County Procurement Policy pursuant to Section 3(a)(xxi) thereof has been granted by your Board in accordance with a separate resolution of same date hereof.

Accordingly, I recommend approval of the attached Resolution.

SCHEDULE "A"

Representation

As stated more fully in our proposal for funding we will provide representation, primarily, in a comprehensive range of immigration law matters; and we will also represent immigrants in housing, labor, and health matters, and in other systems.

Provision of services

Services will be provided in our White Plains and Mt Vernon offices, and in the field as required. Services will be provided chiefly by Daniel Villena, a full time attorney with 100% of his time committed to the project. Twenty-five percent of Robert Cisneros' time (staff attorney) will be dedicated to the initiative and ten percent of Linda Bennett's time (staff attorney) will be dedicated to services provided. A new Pace law student will begin in the White Plains office in May.

Goals and Outcomes

We will provide advice and counsel 250 times. We will provide representation to 50 persons in, up to, 70 legal matters. We will conduct six community education events.

Our progress toward service goals will be recorded on the agreed upon "Empire Justice Stats" Microsoft Excel spreadsheet and will be submitted monthly.
