**TO:** Board of Acquisition and Contract

**FROM:** John J. Hsu, P.E.  
Commissioner of Public Works and Transportation

**DATE:** May 4, 2011

**SUBJECT:** Resolution for Authority to Advertise  
Contract No. 11-524  
Traffic Signal Replacement and Related Improvements  
North and South Ridge Street (C.R. 54B)  
Village of Rye Brook, New York

The 2011 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace two traffic signals: Ridge Street at Betsy Brown Road and Ridge Street at Ellendale Avenue. The project also includes traffic signal improvements at Bowman Avenue along with installation of new sidewalks, handicap ramps, pavement markings and other related items at each of the intersections.

The objective of this contract is to replace obsolete traffic signal equipment and to improve safety conditions along County roads.

This contract is in the public's best interest because it will promote the health and safety of the general public by insuring that the County's roads meet current codes and standards. There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
