Contract No. 10-563
Roof Coating – Operations Building
35 Woods Road
Valhalla Campus
Valhalla, New York

The 2011 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to coat the existing metal, standing-seam roofing at the Operations Building.

The objective of this contract is to maintain the weather tightness of the Operations Building.

This contract is in the public's best interest because it will extend the life of the existing structure.

There are no environmental or energy components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
