The County of Westchester requests authorization to enter into an agreement with the Y.W.C.A. of Yonkers, Inc. to operate a shelter for small families and /or single homeless women/mothers with infants at a facility known as the Y.W.C.A. of Yonkers located at 87 South Broadway, Yonkers, New York for the period July 1, 2010 through June 30, 2011 for an amount not to exceed \$184,910 to be paid monthly pursuant to an approved budget and subject to appropriation. There has been no change in the amount requested for the 2011-2012 proposed agreement.

The services to be provided pursuant to the proposed agreement serve a **public purpose** by assisting the County to provide immediate emergency shelter to eligible homeless women/mothers with infants. These services are aimed at improving the quality of life of the homeless population in the County by assisting the population served in achieving a successful transition from welfare to self-sufficiency and to economic independence while providing them with shelter and supportive services.

The **goals and objectives** of the proposed agreement are to provide 24-hour supervision, shelter to homeless women/mothers with infants, shared kitchen facilities, counseling as well as supportive services, including assistance in finding permanent housing, assistance with seeking and obtaining employment and casework services. The program will also provide life skills workshops and transportation, in addition to linkages to programs to address their medical and mental health needs.

The goals and objectives of this program are in **the best interests of the County in terms of public health and public safety** as they are aimed at enhancing and ensuring the health and safety of the targeted population. The program enhances and ensures safety by providing vulnerable women/mothers with infants with 24-hour supervision and housing. This program creates a safe haven for the targeted population. Housing women and children will reduce the risk of them becoming victims of crime and developing general health related issues that result from not having appropriate shelter.

The goals and objectives are in the County's **best interests in terms of fiscal responsibility** as the services provided assist women/mothers with infants in finding permanent housing thereby decreasing the cost associated with providing emergency housing. Additionally, program participants, through referrals to employment services, may become gainfully employed, thereby reducing their dependency on public assistance.

**The goals and objectives will be tracked and monitored** through performance measurement indicators developed by the Department and approved by the County Budget Office. The tracking and monitoring include the submission of monthly statistics and quarterly reports as well as through direct contact with the D.S.S. staff in order to swiftly address any impediments to the program's successes.

The **Department is able to report that the vendor's Performance Measurement Indicators** reflect that the Y.W.C.A. of Yonkers shelter program met its goal of housing eligible customers referred by the Department. The facility accepted 100% appropriate referrals during 2010 - 2011 contract period. This program effectively provided shelter and supportive services for 24 single women and mothers with infants. As of 4/30/11, this program achieved the following outcomes:

- Average Length of Stay for all customers: 476 days
- 7 customers secured permanent housing

This contract is exempt from the Westchester County Procurement Policy under Section 3(a) (xiv).

Therefore, the County of Westchester is hereby requesting permission to enter into an agreement with the Y.W.C.A. of Yonkers, Inc. for the aforesaid purpose.

A resolution requesting the same is attached for your Honorable Board's approval.
