Commissioner of Public Works and Transportation

DATE: June 23, 2011

SUBJECT: Resolution for Authority to Advertise
Contract No. 11-519
Roof Replacement
Primary Settling Tank Area
Port Chester Wastewater Treatment Plant
Port Chester, New York

The 2011 Capital Budget and the 2011 Non-Recurring Budget contain funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to remove and replace the existing roofing and roof drains on the shelter for the Primary Settling Tank Area.

The objective of this contract is to maintain the weather tightness of the shelter for the Primary Settling Tank Area.

This contract is in the public's best interest because it will extend the life of the existing structure.

There are no environmental or energy components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
