

20990

TO: Board of Acquisition and Contract

FROM: John J. Hsu, P.E.
Commissioner of Public Works and Transportation

DATE: August 10, 2011

SUBJECT: Resolution for Authority to Advertise
Contract No. 11-214
Hydrant and Valve Replacement - Phase VII
County Water Districts 1 and 3
Yonkers and Valhalla, New York

The 2011 Non-Recurring Account contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace hydrants, vent hydrants, valves and water meters including all required piping, fittings, appurtenances, testing and site restoration.

The objective of this contract is to replace deteriorated hydrants, valves, piping and joints.

This contract is in the public's best interest because it will provide an environmental benefit by eliminating potential leaks and reducing overall water usage, thus addressing the County Executive's priority area: Health and the Environment (HE).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
