TO: Board of Acquisition and Contract

FROM: John J. Hsu, P.E.
Commissioner of Public Works and Transportation

DATE: August 18, 2011

SUBJECT: Resolution for Authority to Advertise
Contract No. 11-511
New Rochelle Reservoir No. 3 Dam Rehabilitation
NYS DEC I.D. No. 215-1336
Town of Eastchester and City of New Rochelle, New York

The 2011 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for demolition and replacement of the existing footbridge, extension of the concrete spillway, stabilization of river banks, replacement of drain control valves along with all associated site work.

The objective of this contract is to upgrade substandard structural components of the New Rochelle Reservoir No. 3 Dam, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the New Rochelle Reservoir No. 3 Dam meets current codes and standards as well as meeting the New York State Department of Environmental Conservation's Order on Consent for this structure.

The project will provide an environmental benefit by improving storm water control thus eliminating erosion and flooding conditions.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
