By resolution approved on May 7, 2009, your Honorable Board authorized the County of Westchester, acting by and through its Department of Social Services, to enter into an agreement with Island Peer Review Organization, Inc. d/b/a IPRO to conduct Medicaid Compliance Reviews for the County for the period September 1, 2009 through August 31, 2010 for an amount not to exceed \$1,000,000 with the County having the option to renew the agreement for two additional one-year terms for amounts to be negotiated. The contract was subsequently executed.

By resolution approved on July 8, 2010, your Honorable Board authorized the County of Westchester, acting by and through its Department of Social Services to exercise the first option to extend the aforesaid contract with Island Peer Review Organization, Inc. d/b/a IPRO for one (1) additional year commencing on September 1, 2010 and ending on August 31, 2011 for an amount not to exceed \$1,000,000 to be paid monthly pursuant to an approved budget and subject to appropriation. The contract was subsequently executed.

The County now seeks the authority to exercise the second and final option to extend the aforesaid contract with Island Peer Review Organization, Inc. for one (1) additional year commencing on September 1, 2011 and ending on August 31, 2012 for an amount not to exceed \$1,000,000 to be paid pursuant to an approved budget and subject to appropriation.

The New York State Association of Counties and its member counties have been working with the State Department of Health and the Medicaid Inspector General's Office to

develop a project designed to assist the State in tackling Medicaid fraud, waste or abuse at the county level. Participation in this project makes Westchester County a partner in the effort to detect, investigate and prosecute Medicaid fraud, waste and abuse and to increase recoveries to both State and local governments.

This contract serves a **public purpose** in that it provides the means for the County to detect, investigate and prosecute Medicaid fraud, waste and abuse and generate recoveries to both state and local governments.

The **goals and objectives** of this agreement are:

- to evaluate claims data and other Medicaid information from the data warehouse and Salient Solutions in order to identify targets for audit or further investigation
- to conduct audits and reviews of providers' compliance with Medicaid billing and program requirements
- to provide pre-litigation and litigation services and testify at proceedings as necessary

These **goals and objectives are in the best interests of the County in terms of health and safety** in that the efforts put forth through this contract are designed to maintain and protect the integrity of the Medicaid system. Medicaid is the largest source of funding for medical and health-related services for people with limited income. Improving the efficiency and accountability of the Medicaid program by preventing and detecting fraudulent, wasteful and abusive practices protects the health and safety of the Westchester County residents receiving health care services through this program.

Also, these **goals and objectives are in the best interests of the County as regards fiscal responsibility** in that the identification and prosecution of Medicaid fraud acts as a deterrent against future fraud and, in many instances, results in the recovery of funds expended by the taxpayers. Achieving success in areas such as Medicaid recoveries is a significant step toward economic wellbeing.

**The goals and objectives of this agreement will be tracked and monitored** through performance measurement indicators approved by the County Budget Office, submission of audit reports, weekly conference calls and monthly written status reports on investigation/audit activity.

**The Department is able to report** that for the period from April 2010 through March 2011, the Office of the Medicaid Inspector General (OMIG) realized recoveries totaling \$678,900.

Except as specifically amended hereby, all other terms and conditions of the original agreement shall remain in full force and effect.

Accordingly, authority is requested to enter into an agreement with Island Peer Review Organization, Inc. d/b/a IPRO to provide the above said services.

Approval of the attached resolution by your Honorable Board is respectfully requested.
