21395

TO:

FROM:

**DATE:** 

**SUBJECT:** 

Rehabilitation of Greenacres Avenue Bridge (BIN 3348720)

Over Bronx River Parkway

Scarsdale, New York

The 2011 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for replacement of the asphalt wearing surface, membrane waterproofing and expansion joints. The project also includes the replacement of the steel faced curbs with new granite curbs along with repairs to structural steel, bridge bearings, railings and masonry abutments.

The objective of this contract is to repair substandard structural elements of the Greenacres Avenue Bridge, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Greenacres Avenue Bridge meets current codes and standards as well as reducing the County's annual maintenance costs. There are no environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
