FROM: Edward Buroughs
Commissioner of Planning

SUBJECT: Resolution authorizing an amendment to a prior resolution between the County of Westchester and Community Capital Resources Housing Development Fund Corp. in order to change the contract expiration date for the acquisition and rehabilitation of the foreclosed property located at 1400 Main Street in the City of Peekskill

On July 8, 2010, your Honorable Board approved a resolution to enter into an agreement with Community Capital Resources Housing Development Fund Corp. to provide a grant through the Neighborhood Stabilization Program (NSP). The grant is to be used for the acquisition and rehabilitation of the foreclosed four-family home located at 1400 Main Street in the City of Peekskill. The term of the agreement was established as from June 17, 2010, to March 31, 2011, and the grant total is \$730,000.00, to be paid pursuant to an approved budget.

On April 21, 2011, your Honorable Board approved a resolution to amend the agreement in order to change the contract expiration date from March 31, 2011 to July 31, 2011.

The agreement has not been executed. The attached resolution authorizes the County of Westchester to amend a prior resolution in order to change the contract expiration date from July 31, 2011 to December 31, 2011. All other terms and conditions of the agreement will remain the same.

Community Capital Resources Housing Development Fund Corp. has requested the amendment to the agreement as additional time is necessary to complete the rehabilitation of the structure and the subsequent marketing to eligible home purchasers and tenants.

The goal and objective of this agreement is to provide affordable housing to low income families in Westchester County. The project will be monitored by Department of Planning staff, which will oversee the acquisition and rehabilitation and provide approvals for the property to be sold to income eligible homebuyers and rented to income eligible tenants selected pursuant to an approved Affirmative Fair Housing Marketing Plan. Department of Planning staff will also monitor ongoing occupancies to ensure the units are primary residences, monitor all re-sales or refinances of the properties and provide approvals for subsequent income eligible tenant households to assure the units are maintained as affordable housing for the term of affordability. Site visits will be made by Planning Department staff to ensure the property has been rehabilitated according to the contract specifications.

I recommend approval of this amendment.
