Re: Resolution authorizing the County of Westchester to enter into an agreement with the Westchester Hispanic Coalition, Inc. pursuant to which the Westchester Hispanic Coalition, Inc. will provide specialized immigration legal services for undocumented youth in foster care for a term commencing on November 1, 2011 and terminating on December 31, 2012 for an amount not to exceed \$20,000 to be paid on a monthly basis pursuant to an approved budget and subject to appropriation

Attached for your consideration is a resolution which, if approved by your Honorable Board, would authorize the County of Westchester, acting by and through the Department of Social Services (the Department), to enter into an agreement with Westchester Hispanic Coalition, Inc. pursuant to which Westchester Hispanic Coalition, Inc. will provide specialized immigration legal services for undocumented youth in foster care for a term commencing on November 1, 2011 and terminating on December 31, 2012 for an amount not to exceed \$20,000 to be paid on a monthly basis pursuant to an approved budget and subject to appropriation.

The Westchester Hispanic Coalition, Inc. is a not-for-profit human services agency dedicated to the economic and social development of the Latino Community. Founded in 1974, the Westchester Hispanic Coalition is dedicated to improving the overall welfare of the community by providing ongoing opportunities for advancement and strengthening its leadership. The Westchester Hispanic Coalition carries out its mission through the implementation of culturally specific programs designed to facilitate greater integration and increased self-sufficiency.

The services to be provided pursuant to this agreement will serve a **public purpose** as these services meet Federal and State requirements that all local departments of Social Services (LDSS) assess all undocumented youth in foster care to determine if they are eligible for Special Immigration Juvenile Status (SIJS). If these youth are eligible, Westchester Hispanic Coalition would pursue the Special Immigration Juvenile Status (SIJS) on behalf of them.

The **goals and objectives** of the services provided by Westchester Hispanic Coalition are to provide Special Immigration Juvenile Status (SIJS) to youth in foster care who are undocumented immigrants. The services would secure lawful residency for youth placed in foster care in the County of Westchester. Westchester Hispanic Coalition will provide services for 20 youth at a fee of \$1,000 each.

The **goals and objectives are in the best interest of the County in terms of public safety** because this program addresses the need for the Department to remain in compliance with Federal and State legislation that requires the Department to assess all undocumented youth placed in foster care for the purpose of determining eligibility of Special Immigration Juvenile Status (SIJS). Special Immigration Juvenile Status grants the youth in foster care lawful residency while the Department pursues a safety plan that serves the youth's best interests.

The **goals and objectives are in the best interest of the County in terms of public health** in that the services provided are aimed at improving the overall health and well-being of the undocumented youth placed in foster care. The Department will be able to secure services on behalf of the child after Special Immigration Juvenile Status (SIJS) is secured. The services provided by Westchester Hispanic Coalition enhances the safety, permanency and prevention planning initiated by the Department.

The **goals and objectives are in the best interest of the County in terms of fiscal responsibility** as the services provided are designed to keep the Department in compliance with Federal and State rules and regulations. By providing these services, the Department would avoid Federal and State sanctions that would in turn decrease reimbursements for foster care services.

The **goals and objectives will be tracked and monitored using the performance measurement indicators** developed by the Department and approved by the County Budget Office. Performance Measurement Indicators to be tracked by the Department will include number of referrals, completion of required documentation and legal representation of youth. The vendor will submit monthly statistics and quarterly performance reports in the format approved by the Department. The Department will be responsible for setting the milestones and tracking the vendor's achievements by reviewing the performance reports submitted by the vendor and making onsite visits.

This agreement is exempt from the Westchester County Procurement Policy and Procedures pursuant to Section 3 (a) xviii as this procurement is for the purpose of securing services for the advancement of the moral, physical, mental and social wellbeing of the youth of Westchester County.

Accordingly, authority is requested for the County of Westchester, acting by and through the Department of Social Services, to enter into an agreement with Westchester Hispanic Coalition, Inc. to provide the aforesaid services.

A resolution requesting the same is attached for your Honorable Board's approval.
