RE: **Resolution authorizing the County of Westchester to enter into a grant agreement with the State of New York, acting through its Division of Criminal Justice Services, for the County's Department of Laboratories and Research's Division of Forensic Sciences to participate in the Paul Coverdell National Forensic Sciences Improvement Act, for a term commencing on October 1, 2011 and expiring September 30, 2012, in an amount not to exceed \$60,235 Dollars**

---

The attached resolution, if approved by your Honorable Board, would authorize the County of Westchester (the "County") to enter into an agreement (the "Agreement") with the State of New York, acting through its Division of Criminal Justice Services (the "State"), for the County's Department of Laboratories and Research's (the "Department") Division of Forensic Sciences to participate in the Paul Coverdell National Forensic Sciences Improvement Act, for a term commencing on October 1, 2011 and expiring September 30, 2012, in an amount not to exceed Sixty Thousand Two Hundred Thirty Five (\$60,235) Dollars.

The public purpose of this Agreement is to promote the public safety and security of the residents of Westchester by reducing turnaround time of forensic services thereby expediting criminal case processing.

The objective of this resolution is to accept Federal and State funding to provide the law enforcement community of Westchester County with increased output and faster turnaround of the evidence submitted to the Department's Division of Forensic Sciences. Faster turnaround and its related reduction of backlogged cases will allow user agencies to investigate crimes in a more efficient and timely manner and provide the citizens of Westchester County a higher degree of public safety. Elements of this program also provide for using the grant money to purchase equipment, service contracts for laboratory instrumentation, evidence databases and scientific literature for these purposes. The Department will monitor and report the progress of this Agreement in quarterly progress reports provided to the granting authority.

Accordingly, I recommend and urge your Honorable Board's approval of the annexed Resolution authorizing the County to enter into this grant agreement with the State.
