Re: Authority to amend a Resolution authorizing the County of Westchester to enter into agreements with vendor agencies for Title XIX Personal Care Services under the Social Security Act in order to add the new agencies listed below in the group of already approved agencies providing Personal Care Title XIX services

On December 4, 2003, your Honorable Board authorized the County of Westchester, acting through the Department of Social Services, to enter into agreements with vendor agencies for Title XIX Personal Care Services under the Social Security Act for a term to commence on January 1, 2004 and continuing indefinitely until terminated by either party upon thirty (30) days prior written notice. The "evergreen clause" was incorporated upon the recommendation of the New York State Department of Health to allow these agreements to continue indefinitely until terminated by either party with or without cause after serving proper notice.

Authority is now requested to amend the aforesaid resolution in order to include the new agencies listed below in the group of already approved agencies providing Personal Care Title XIX services (See Schedule "A" attached).

Broadway Home Care, Inc.
Mical Home Health Care, Inc.
Mrs. G's Services, LLC
Pioneer Home Care, Inc.
Senior Home Care, Inc.

Vision HomeCare Services, Inc.

Please note that the agreements with these agencies will take effect upon execution and will continue indefinitely until terminated by either party upon thirty (30) days prior written notice.

These agreements serve a **public purpose** through the provision of personal home care services to Westchester's Medical Assistance recipients.

The **goals and objectives** of Title XIX contracts are to monitor, strengthen and safeguard the functioning of the medical assistance recipients in their homes, with an ultimate goal of obtaining the maximum rehabilitation and self-sufficiency possible.

The **goals and objectives are in the best interest of the County as regards public health and safety** in that the services provided through these contracts support the highest level of health and safety possible in the recipient's own home, and promote the delivery of care which addresses the specific needs of the sick, incapacitated or disabled.

These **goals and objectives are in the best interest of the County from a fiscal perspective** in that one of the Department's specific goals in administering this program through the Title XIX contracts is to monitor that the services provided to the recipients are medically necessary and appropriate and to ensure that these services are provided in a cost-effective manner.

Title XIX of the Social Security Act requires states to create Medical Assistance programs to furnish personal care services to needy individuals. The County, as an agent of the New York State Department of Social Services, administers this program locally and receives reimbursement for the provision of these services from New York State and the Federal government. **Not to provide these services** would violate State and Federal regulations.

The **goals and objectives are monitored** by the Department and through audits conducted by an independent auditor. If any agency fails to meet the specifications, the Department will move to terminate the contract. Complaints received by the Department are duly evaluated and acted upon if deemed necessary.

The Department is able to report that in 2011, an average of 2300 cases received Personal Care Services authorized by the County through agreements with thirty one (31) agencies. All agencies successfully delivered services pursuant to Title XIX of the Federal Social Security Act and applicable state law.

These contracts are exempt from the County Procurement Policy pursuant to Section 3(a) viii of that document.

Except as specifically amended hereby, all other terms and conditions of the original resolution shall remain the same. The Amendment is to the resolution because the contracts with the agencies have not been executed.

We are respectfully requesting your Honorable Board's approval of the annexed Resolution.
