RE: Authority to enter into an Agreement with the State of New York, Executive Department, Office for the Aging to accept a grant in the sum of \$1,245,118 to provide various support services for the Elderly under the Title IIIB Programs of the Older Americans Act for the program period January 1, 2012 through December 31, 2012.

The County of Westchester, acting by and through the Department of Senior Programs and Services (the "Department"), seeks authority from your Honorable Board to enter into an Agreement with the State of New York, Executive Department, Office for the Aging to accept a grant in the sum of \$1,245,118 to operate various support services for the elderly under Title IIIB of the Older Americans Act, for the program period January 1, 2012 through December 31, 2012.

Of the \$1,245,118 in Title IIIB funds, \$1,096,336.00 will be used to provide various support services for the elderly for the program period January 1, 2012 through December 31, 2012. The balance of \$148,782.00 in funds will be used directly by the Department to provide direct services, service management and area agency administration.

This Agreement will serve a public purpose by providing supportive services to help maintain Westchester County seniors in the community and avoid premature institutionalization. Services to be provided may include, among others: information and assistance, case management, and transportation services, community based services such as legal services, housing assistance, enrichment programs and community based homemaker and housekeeper services.

The goals and objectives of the programs are to continue to allow Westchester's seniors to stay/live in their homes/communities and avoid placement in institutions. The services noted above assist with this goal/objective with community maintenance for Westchester's seniors.

The goals and objectives are in the best interest of Westchester County in terms of fiscal responsibility because enabling seniors to stay in their homes and communities as long as possible rather than being placed in nursing homes, will save taxpayers money.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

This agreement is exempt from the Westchester County Procurement Policy pursuant to Section 3(a)iii, thereof.

Accordingly, I most respectfully recommend adoption of the attached proposed resolution.
