RE: Authority to enter into an Agreement with the Children's Health and Research Foundation to operate the Healthy from Birth for Life program for the program period January 1, 2012 through December 31, 2014 in a total amount not to exceed \$207,693

---

Authority is hereby requested for the County of Westchester to enter into an Agreement with the Children's Health and Research Foundation to operate the Healthy from Birth for Life Program for the program period January 1, 2012 through December 31, 2014 in a total amount not to exceed \$207,693, pursuant to an approved budget. Funding for this program will be provided by the County in the amount of \$135,000 and by the agency in the amount of \$72,693. The funding amount per year will not exceed \$69,231, comprised of \$45,000 of County funding and \$24,231 agency match.

This program will serve 80 youths ages 14-21. The program is designed to address risky behaviors by making available optimal physical and emotional health services, opportunities and supports that highlight and help to prevent health risk behaviors by providing nutrition – obesity prevention; pregnancy prevention; health education; alcohol/substance abuse counseling and self – esteem workshops.

Outcome: 65 of the 80 youths enrolled will have increased awareness of and reduce or be free from health risk behaviors (substance use, poor nutrition, unsafe sexual behaviors) as measured by self reported information from program participants, such as written surveys and interviews facilitated by the Project Manager

The outcome as stated above will be tracked and monitored through monthly, quarterly and annual reports, Report Cards and by bi-yearly site visits from Youth Bureau Program Monitors.

This program was previously funded in 2011. Please see outcomes below:

Of the 101 youth Fellows, 88 gained insight into preventable causes of prematurity and low birth weight babies. Fellows were given a presentation on prematurity and low birth weight by the LHVPN Medical Director, and were then led on a tour of the Neonatal Intensive Care Unit at Maria Ferari Children's Hospital.

Of the 101 youth Fellows, 76 learned ways of speaking to peers and adults about making healthy lifestyle choices to reduce preventable risks associated with prematurity and low birth weight babies. Healthy From Birth For Life presented ways to incorporate peer education into promoting healthy lifestyle choices and reducing risks associated with poor birth outcomes at the Annual Conference of the New York State Perinatal Association in Albany, NY.

Of the 101 youth Fellows, 81 gained insight into perinatal issues and health beliefs in their community. Fellows hosted tables in Mt. Vernon High School and Thornton High School where they distributed health information on perinatal issues and had their peers record their thoughts on their personal health beliefs during LHVPN's Community Health Education Day.

This Agreement is exempt from the Westchester County Procurement Policy pursuant to section 3(a)xviii thereof. Nevertheless, in 2011 the Youth Bureau issued an RFP to cover the program years 2012 – 2014. This agency is one of 39 agencies that submitted a proposal in response to the RFP. After careful evaluation, the agency listed above was selected by the Youth Bureau for funding as part of the Youth Bureau's Resource Allocation Plan. The agency has agreed to be bound by the proposal they submitted for the full three-year period.

An appropriate Resolution is herewith attached for your Honorable Board's consideration.
