Funds for this project are available in the:

- Capital Budget
 Non-Recurring Budget
 Operating Budget

The objective of this contract is to replace the structurally deficient Bronx River Parkway Bridges at Crane Road and improve the parkway's road alignment, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Bronx River Parkway Bridges at Crane Road meet current codes and standards as well as reducing the County's annual maintenance costs.

This contract includes riverbank restoration which will provide an environmental benefit by reducing erosion along this portion of the Bronx River.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

It is my recommendation that Contract No. 06-552 be awarded to E.E. Cruz & Company, Inc. in the amount of \$39,425,000.00.

Payment for a portion of this contract will be made from the Federal Highway Bridge Replacement and Rehabilitation Program (HBRR) and the New York State Marchiselli Program, not the County General Fund and will not impact the County tax levy.
