FROM: Edward Buroughs
Commissioner of Planning

SUBJECT: Resolution authorizing a third amendment to the agreement between the County of Westchester and the New York State Division of Housing and Community Renewal for the Weatherization Assistance Program (WAP) to change the expiration date

On September 24, 2009, your Honorable Board approved a resolution authorizing the County to submit an application for and enter into a grant agreement with the New York State Division of Housing and Community Renewal for a Weatherization Assistance Program (WAP) grant in an approximate amount of \$10,400,000.00 million for the term October 1, 2009 to June 30, 2011, that would provide funding for energy efficient improvements to rental units occupied by very low income households.

On June 23, 2011, your Honorable Board approved a resolution authorizing the County to revise and extend the term of the agreement to begin on January 1, 2010 and end on December 31, 2011.

On August 25, 2011, your Honorable Board approved a resolution authorizing the County to change the expiration date from December 31, 2011 to March 31, 2012 and to increase the number of units that will receive assistance.

The WAP grant was awarded in December 2010 in the amount of \$5,000,000.00, whereupon the County entered into an agreement for the term January 1, 2010 to June 30, 2011 to assist 732 residential units occupied by households with very low incomes.

The New York State Division of Housing and Community Renewal has agreed to the Planning Department's request to revise the agreement in order to change the expiration date to June 30, 2012. The attached resolution authorizes the County of Westchester to change the expiration date when the change is approved to allow for the processing of the extension in a timely manner.

The agreement will provide for improving the energy efficiency of homes. The program is monitored by Planning Department staff, which will make site visits to ensure the rental units have been rehabilitated according to the contract specifications.

I recommend approval of this Amendment.
