SUBJECT: Resolution for Authority to Advertise
Contract No. 12-519
Drainage and Site Improvements
450 Saw Mill River Road
Ardsley, New York

The 2012 Operating Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to mill and resurface roadway and parking lot pavements at 450 Saw Mill River Road. The project also includes sidewalk and drainage improvements along with installation of guide rail and pavement markings.

The objective of this contract is to replace substandard areas of asphalt paving, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that paved areas at 450 Saw Mill River Road meet current codes and standards as well as reducing the County's annual maintenance costs.

The project will provide an environmental benefit by eliminating erosion due to flooding.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
