Commissioner of Public Works and Transportation

DATE: July 31, 2012

SUBJECT: Resolution for Authority to Advertise
Contract No. 12-537
Stabilization of Existing Piers and Surrounding Structures
Ashford Avenue Bridge (BIN 5348380)
Villages of Ardsley and Dobbs Ferry, New York

The 2012 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for shoring of the bridge's piers, repairs of bridge joints, miscellaneous concrete repairs and other work as needed.

The objective of this contract is to repair substandard structural elements of the Ashford Avenue Bridge, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Ashford Avenue Bridge meets current codes and standards as well as reducing the County's annual maintenance costs. There are no environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
