TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: September 14, 2012

SUBJECT: Resolution for Authority to Advertise
Contract No. 12-230
Environmental Testing and Monitoring Services
Various County Facilities
Westchester County, New York

The 2012 Operating Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to provide testing and air monitoring services for asbestos, fiberglass insulation, lead and mold for projects at various locations Countywide. This contract is for a term of three (3) years with one two (2) year renewal at the discretion of the County.

The objective of this contract is to provide required New York State Department of Labor testing and monitoring services for the identification and removal of hazardous materials from County Facilities.

This contract is in the public's best interest because it will promote the health and safety of the general public by providing for a safe and healthy environment at various County Facilities, thus addressing the County Executive's priority area: Health and the Environment (HE).

This project will provide an environmental benefit by monitoring the removal of hazardous materials which will eliminate the possibility of future contamination.

As expenditures are made pursuant to this authorization, detailed records will be kept in the County's on-line financial system. These records will be easily accessible by Finance, Budget and department staff and will be reviewed regularly to ensure that funds are used appropriately.
