Subject: Resolution authorizing the County of Westchester to enter into an agreement with Island Peer Review Organization, Inc. d/b/a IPRO for the purpose of conducting Medicaid Compliance Reviews for the County for an amount not to exceed \$454,409 for the period September 1, 2012 through August 31, 2013 with the County having the option to renew the agreement for three (3) additional one-year terms for amounts to be negotiated

The County of Westchester, acting by and through its Department of Social Services, is requesting authority to enter into an agreement with Island Peer Review Organization, Inc. d/b/a IPRO to conduct Medicaid Compliance Reviews for the County for the period September 1, 2012 through August 31, 2013 for an amount not to exceed \$454,409 with the County having the option to renew the agreement for three (3) additional one-year terms for amounts to be negotiated.

The New York State Association of Counties and its member counties have been working with the State Department of Health and the Medicaid Inspector General's Office to develop a project designed to assist the State in tackling Medicaid fraud, waste or abuse at the county level. Participation in this project makes Westchester County a partner in the effort to detect, investigate and prosecute Medicaid fraud, waste and abuse and to increase recoveries to both State and local governments.

This contract serves a **public purpose** in that it provides the means for the County to detect, investigate and prosecute Medicaid fraud, waste and abuse and generate recoveries to both state and local governments.

The **goals and objectives** of this agreement are:

- to evaluate claims data and other Medicaid information from the data warehouse and Salient Solutions in order to identify targets for audit or further investigation
- to conduct audits and reviews of providers' compliance with Medicaid billing and program requirements
- to provide pre-litigation and litigation services and testify at proceedings as necessary

These **goals and objectives are in the best interests of the County in terms of health and safety** in that the efforts put forth through this contract are designed to maintain and protect the integrity of the Medicaid system. Medicaid is the largest source of funding for medical and health-related services for people with limited income. Improving the efficiency and accountability of the Medicaid program by preventing and detecting fraudulent, wasteful and abusive practices protects the health and safety of the Westchester County residents receiving health care services through this program.

Also, these **goals and objectives are in the best interests of the County as regards fiscal responsibility** in that the identification and prosecution of Medicaid fraud acts as a deterrent against future fraud and, in many instances, results in the recovery of funds expended by the taxpayers. Achieving success in areas such as Medicaid recoveries is a significant step toward economic wellbeing.

The goals and objectives of this agreement will be tracked and monitored through performance measurement indicators approved by the County Budget Office, submission of audit reports, weekly conference calls and monthly written status reports on investigation/audit activity.

On August 29, 2012, the Office of the Medicaid Inspector General (OMIG) reported that from 4/1/2010 through 3/31/11, the OMIG realized recoveries totaling \$1,165,193 of which the Federal share is \$710,763 and the Non-Federal share is \$454,429. The next report is expected sometime in August 2013.

Authority to exempt the proposed agreement from the application of the Procedures of the Westchester County Procurement Policy pursuant to Section 3(a) xxi has already been granted by your Honorable Board under a separate resolution.

Accordingly, authority is requested to enter into an agreement with Island Peer Review Organization, Inc. d/b/a IPRO to provide the above said services.

Approval of the attached resolution by your Honorable Board is respectfully requested.
