Commissioner of Public Works and Transportation

DATE: November 27, 2012

SUBJECT: Resolution for Authority to Advertise
Contract No. 12-227
Countywide Installation of Access Control and Security Equipment
Various Locations
Westchester County, New York

The 2012 Operating Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to install card readers, cameras, conduit, wiring and control equipment at various locations Countywide. This contract is for a term of three (3) years with one two (2) year renewal at the discretion of the County.

The objective of this contract is to provide access control and security equipment at various County facilities.

This contract is in the public's best interest because it will promote the health and safety of the general public by providing a level of protection for infrastructure which is used in dispatching emergency services, and will provide a safer environment for areas that are visited by the public, thus addressing the County Executive's priority area: Safety and Security (SS). There are no energy or environmental components associated with this project.

As expenditures are made pursuant to this authorization, detailed records will be kept in the County's on-line financial system. These records will be easily accessible by Finance, Budget and department staff and will be reviewed regularly to ensure that funds are used appropriately.
