DATE: December 5, 2012

TO: Board of Acquisition and Contract

FROM: Edward Buroughs  
Commissioner of Planning

SUBJECT: Resolution authorizing an agreement between the County of Westchester and the Housing Action Council Inc. its designee or assigns, to provide funds from the New York State Affordable Housing Corporation's Affordable Homeownership Development Program for costs relating to the acquisition and/or rehabilitation of a two-family house at 17 Kaldenberg Place, Village of Tarrytown

The attached resolution authorizes the County of Westchester to enter into an agreement with the Housing Action Council Inc. its designee or assigns, (the "Developer") to receive \$80,000.00 of grant funds through the New York State Affordable Housing Corporation's (NYSAHC) Affordable Homeownership Development Program. The grant funds will be used to subsidize the acquisition and/or the rehabilitation of a vacant two-family house at 17 Kaldenberg Place, Village of Tarrytown in order to create one affordable owner-occupied unit and one affordable rental unit that will both affirmatively further fair housing as set forth in 42 U.S.C. Section 5304(b)(2) and as required pursuant to the Settlement Agreement (defined below). The proposed agreement shall have a term of two years, commencing upon execution.

Pursuant to the Stipulation and Order of Settlement and Dismissal entered into in connection with a lawsuit titled U.S. ex rel. Anti-Discrimination Center vs. Westchester (the "Settlement Agreement"), the County is required to ensure the development of 750 units of affordable AFFH Units. In furtherance of these objectives, the County provides funding to assist in the development or rehabilitation of affordable AFFH housing units, including the proposed AFFH Units which are anticipated to constitute eligible units under Section 7(c) of the Settlement Agreement

This procurement is exempt from the requirements of the County Procurement Policy and Procedures pursuant to Section 3(a) xii, thereof, which exempts procurements which involve the expenditure of federal or state assistance where and to the extent that federal or state law, rules or regulation conflict with the provisions of this policy. The County submitted an application to NYSAHC for this grant and was awarded these funds in order to provide the funds to eligible developers to underwrite the cost of acquisition and rehabilitation of foreclosed and abandoned properties to assist in home ownership and rental opportunities for qualified families. This specific grant from NYSAHC's Affordable Homeownership Development Program requires that the funds only be used on properties eligible under the Neighborhood Stabilization Program (NSP) such as the proposed property. The Developer will also receive, pursuant to a separate agreement, an NSP grant in the amount of \$150,000 to acquire and rehabilitate this property.

On February 19, 2009, the Board of Acquisition and Contract approved a resolution authorizing the County of Westchester to enter into agreements with the State of New York Housing Finance Agency for a grant totaling \$6,680,000.00 and with NYSAHC for a grant of \$640,000.00 for a total amount of \$7,320,000.00.

The goal and objective of this agreement is to carry out the County's obligations under the Settlement Agreement by ensuring the development of affordable AFFH Units in accordance with the terms of said Settlement Agreement. In addition, the development will create a home ownership opportunity for lower and moderate income individuals and families who may not otherwise be able to afford to purchase a home in Westchester County. The units will be safe, secure and energy efficient and will also enhance the neighborhood by rehabilitating a vacant and distressed residence. Department of Planning staff will make site visits to ensure that the renovations are being conducted according to contract specifications and will monitor compliance with the ongoing affordability requirements.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

I recommend approval of this agreement.
