Included in the programs offered by Westchester Community College (the "College") is a Veterinary Tech Program. The College offers supervised laboratory/clinical education and instruction for matriculated Westchester Community College students who are pursuing a degree or certificate in this program in conjunction with various organizations. Attached is a resolution that would authorize the College to enter into agreements with the following organizations:

- Veterinary Center of White Plains;
- Veterinary Care Millbrook, PC;
- The New Yorktown Animal Hospital, LLP;
- South Wilton Veterinary Group, LLC;
- The Maritime Aquarium;
- Whitestone Veterinary Care, PC;
- Blue Pearl Veterinary Partners-New York; and
- The Home Care Veterinary Hospital, PC, d/b/a Goldens Bridge Veterinary Care Center.

The term of each agreement will be January 1, 2013 through December 31, 2017. There will be no cost to the College, but the parties will cross indemnify each other for their respective negligence.

I believe that it is in the best interest of the College to provide clinical education and instruction programs; and I therefore, recommend that you act favorably on the annexed proposed resolution.
