FROM: Kevin M. McGuire
Commissioner, Department of Social Services

SUBJECT: Authority to enter into an agreement with the United States Department of Housing and Urban Development (“HUD”) in order to accept a grant in the amount of \$323,748 to be used to implement a program under HUD’s Supportive Housing Program and utilize those grant funds to enter into an Agreement with The Children’s Village, Inc. to provide a transitional housing program for homeless young adults between the ages of 18 and 24 for the period December 1, 2012 through November 30, 2013

Authority is respectfully requested from your Honorable Board for the County of Westchester (the “County”), acting by and through its Department of Social Services (the “Department”), to enter into an agreement with the United States Department of Housing and Urban Development (“HUD”) in order to accept a Supportive Housing Program grant in the amount of \$323,748 (Grant No. NY0864B2T041100). Authority is further requested to enter into an Agreement with The Children’s Village, Inc. (“Children’s Village”) to utilize the Grant funds to provide a transitional housing program for twelve homeless young adults between the ages of 18 and 24 for the period December 1, 2012 through November 30, 2013 pursuant to HUD’s Supportive Housing Program.(the “Agreement”).

Matching funds in the sum of \$76,731, as required by the Grant, will be provided by Children’s Village, therefore the Agreement will be at no cost to the County.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the “Grant

Terms”), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) and will comply with all of the Grant Terms.

The grant agreement with HUD is not a procurement, therefore the provisions of the Westchester County Procurement Policy do not apply. The agreement with Children’s Village was awarded pursuant to a Request for Proposals (“RFP”) which was issued in September of 2012 by the Westchester County Partnership for the Homeless which coordinates the consolidated grant application annually to HUD’s Continuum of Care for the Homeless program on behalf of the County, the City of Yonkers, the City of Mount Vernon, the City of New Rochelle and the City of White Plains pursuant to 24 Code of Federal Regulations 578. Five agencies responded to the RFP and the agreement was awarded to Children’s Village after a September 27, 2012 scoring and public vote.

The proposed agreement will serve a **public purpose** by providing transitional housing and supportive services to homeless young adults and their households to assist in having children remain in the home and return to the home if they are in foster care.

The goals and objectives of the proposed agreement are to provide permanent housing to help homeless households avoid dependency on social services, and develop the skills necessary to increase their chances at moving toward self-sufficiency.

The goals and objectives of the proposed agreement are in the best interests of the County in terms of fiscal responsibility, as the proposed agreement will make available to the County the funds necessary to implement the aforementioned program. The goals and objectives of the proposed agreement are also in the best interests of the County in terms of both fiscal responsibility and public health and safety as the programs funded by the proposed agreement will be aimed at ensuring the well being and safety of the targeted population and addressing the issues of homelessness and welfare dependency in the County which can reduce the costs associated with social services provided by the County.

The goals and objectives of the proposed agreement will be tracked and monitored by the Department in accordance with the requirements of HUD. The Department will be required to submit Annual Progress Reports to HUD as a requirement of receiving the funding to be provided under the proposed agreement. These multi-page Annual Progress Reports capture statistical data on those served, the various categories they fall into, the milestones reached, the money expended, etc., which must match the program outlined in the Department’s Technical Submission.

I respectfully recommend your Honorable Board’s approval of the attached Resolution.
