Target Referral: The definition of sexually exploited youth is quite broad and refers to a continuum of behaviors and circumstances ranging from being sexually abused by a family member or friend to being forced into the sex trade for food, money, or shelter- to being a victim of sexual assault or trafficked. All of these youth, whether they have been previously charged with a crime or not, are victims of sexual assault and child sexual abuse.

Program performance will be tracked through milestones such as:

- Youth outreach and engagement measured by youth participation, attendance and program completion.
- Youth reduced criminal behavior and/or satisfy the requirements of court or probation measured by arrest and/or probation report
- Youth involvement in pro-social positive activities including education, volunteer, employment, or recreational activity; measured by confirmation of youth participation in one of the aforementioned activities.

This agreement is exempt from the Westchester County Procurement Policy and Procedures pursuant to Section 3(a)(xviii) as this contract is for the purpose of the providing programs for the advancement of the moral, physical, mental and social wellbeing of the youth of Westchester County.

The funding for this program is through the New York State Office of Children and Family Services.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.
