**SUBJECT:** Resolution for Authority to Advertise  
Contract No. 13-509  
Road Resurfacing and Drainage Improvements  
Ward Pound Ridge Reservation  
Towns of Lewisboro and Pound Ridge, New York

The 2013 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for milling and resurfacing of the existing roadways within Ward Pound Ridge Reservation. Also included are improvements to drainage systems.

The objective of this contract is to replace substandard areas of asphalt paving, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that roadways within Ward Pound Ridge Reservation meet current codes and standards as well as reducing the County's annual maintenance costs.

The project will provide an environmental benefit by eliminating flooding conditions due to insufficient drainage systems.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
