TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: April 29, 2013

SUBJECT: Resolution for Authority to Advertise
Contract No. 13-207
Countywide Maintenance Service
Large Air Conditioning Systems
(Larger Than 50 Tons)
Various Locations
Westchester County, New York

The 2013 Operating Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to perform testing, inspections and repair services for all large air conditioning and refrigeration systems at various County buildings and facilities located throughout Westchester County. This contract is for a term of three (3) years with one two (2) year renewal at the discretion of the County.

The objective of this contract is to maintain large air conditioning and refrigeration equipment for continuous and uninterrupted operation.

This contract is in the public's best interest because it will promote the health and safety of the general public by maintaining air conditioning within specified parameters.

The project will provide energy savings by maintaining large air conditioning and refrigeration equipment within operating specifications, thus addressing the County Executive's priority area: Health and the Environment (HE).

As expenditures are made pursuant to this authorization, detailed records will be kept in the County's on-line financial system. These records will be easily accessible by Finance, Budget and department staff and will be reviewed regularly to ensure that funds are used appropriately.
