RE: Request for authority to enter into an agreement with Westchester Jewish Community Services, Inc. ("WJCS") pursuant to which WJCS will provide a Geriatric Care Specialist to support the needs of the elderly population in Westchester County for the period February 1, 2013 through January 31, 2014 in an amount not to exceed \$40,375.00

The attached resolution, if approved by your Honorable Board, would authorize the County of Westchester (the "County") to enter into an agreement with Westchester Jewish Community Services, Inc. ("WJCS") pursuant to which WJCS will provide a Geriatric Care Specialist who will work with the many resources in the County to meet the growing, changing and varied needs of the county's older adult community.

The initial project will be targeted to frail and needy elderly as well as seniors who are easily overwhelmed by complicated systems they find difficult or unable to navigate. The project will also assist seniors who are not readily able to participate in the host of services offered by the County and other service providers, as well as seniors who do not have the financial resources with which to "purchase" elder care services privately.

The term of the Agreement will commence February 1, 2013 and continue through January 31, 2014. In consideration for services to be rendered, the County shall pay WJCS an amount not to exceed \$40,375.00, payable in equal monthly installments upon receipt by the County of an invoice.

The objective of this Agreement is in the County's best interest because it promotes the well being, safety and health of the County's elderly and senior population. This Program will enable seniors to age safely and well in place whenever possible and maintain and enhance their physical and emotional quality of life. It will also enable the Geriatric Care Specialist to serve as an ongoing resource to the County's frail, elderly and other senior populations. Specifically, during the course of the contract WJCS

will serve at least 162 new active clients, make at least 337 home visits and conduct 2,500 information, referral and telephone consultations. The Program's progress shall be tracked by direct reporting of the results to the County by WJCS on a quarterly basis.

This Agreement is exempt from the requirements of the Westchester County Procurement Policy and Procedures pursuant to Section 3(a)xix thereof.

As we believe this Agreement to be in the best interests of the County, we most respectfully recommend and urge the adoption of the annexed Resolution.
