**SUBJECT:** Resolution for Authority to Advertise  
Contract No. 13-212  
Parking Lot Rehabilitation  
North Yonkers Pump Station  
Yonkers, New York

The 2013 Non-Recurring Account contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for milling and resurfacing of the existing parking lot at the North Yonkers Pump Station.

The objective of this contract is to replace substandard areas of asphalt paving, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the parking lot within the North Yonkers Pump Station meets current codes and standards as well as reducing the County's annual maintenance costs. There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
