**TO:** Board of Acquisition and Contract

**FROM:** Jay T. Pisco, P.E.  
Commissioner of Public Works and Transportation

**DATE:** June 18, 2013

**SUBJECT:** Authority to enter into an Agreement with the United States of America, acting by and through the Federal Aviation Administration (the "FAA"), to accept a grant for Capital Project Number A042A – Storm Water Management Program and Capital Project Number A042B – Storm Water Management Program at the Westchester County Airport

---

Authority of your Honorable Board is requested for the County of Westchester, acting by and through the Department of Public Works and Transportation (the "County"), to enter into an Agreement with the United States of America, acting by and through the Federal Aviation Administration (the "FAA"), to accept a grant of approximately \$450,000.00 for Capital Project Number A042A – Storm Water Management Program and Capital Project Number A042B – Storm Water Management Program at the Westchester County Airport. This grant will be used to fund full design of improvements to the storm water collection and detention facilities at the Westchester County Airport. The County will have to contribute a local share of approximately \$50,000.00 from the Airport Special Revenue Fund.

This Agreement will serve a public purpose by funding improvements to the storm water collection and detention facilities that will provide enhanced environmental protection of the existing site and surrounding properties.

The objective of this Agreement is to accept Federal funding for a capital project that directly improves the environmental protection of County residents and Airport users. This is a project the County and its Airport would be responsible to fund directly were it not for the availability of Federal grant funds. Acceptance of these funds will relieve the County and the Airport of substantial fiscal responsibility.

The County's Department of Public Works and Transportation will monitor and report the progress of this project using its own staff and staff from other County departments as appropriate, and will be responsible to invoice the FAA for timely reimbursement as the costs are incurred.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

Accordingly, I recommend your Honorable Board's approval of the annexed Resolution authorizing the County to enter into this grant agreement with the FAA.
