Commissioner of Public Works and Transportation

DATE: July 2, 2013

SUBJECT: Resolution for Authority to Advertise
Contract No. 13-526
Additional Pathway Improvements
South County Trailway
City of Yonkers, New York

The 2013 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to remove existing pavements and signage and to install new pavements, signage, fencing, gates and plantings.

The objective of this contract is to provide improvements on the South County Trailway in the City of Yonkers.

This contract is in the public's best interest because it will complete the South County Trailway program, providing a continuous recreational link from the New York City Line to Greenburgh. There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
