RE: Request for **Authority to Solicit Bids by Public Advertisement** for
Contract No. EF-1305
Internal Inspection of the Saw Mill Trunk Sewer Tunnel and the
North Yonkers Low Level Trunk Sewer Section K
Saw Mill and North Yonkers Sewer Districts
City of Yonkers, Westchester County, New York

The work to be performed under this Contract consists of furnishing labor and equipment required to perform an internal video inspection of the Saw Mill Trunk Sewer Tunnel and the North Yonkers Low Level Trunk Sewer Section K. The contract is for the period December 1, 2013 to November 30, 2014, subject to appropriations.

The goal and/or objective of this contract is to provide an internal inspection of the referenced sewers to inspect for potential structural and/or operational defects and problems that may exist with the sewer pipe and related appurtenances. The work will be performed as part of the self assessment provision of the Federal Capacity, Management, Operations, and Maintenance (CMOM) program. This contract is deemed to fulfill a public purpose as the services provided under this Contract promote the public health and welfare by insuring proper operation of the County's Trunk Sewer System and the prevention and/or elimination of any sewage overflows. The work will be monitored by representatives of the department to make sure that all applicable regulations, safety precautions and codes regarding the protection of persons and property are adhered to and that a cost-effective project is the end product.
