TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: September 3, 2013

SUBJECT: Resolution for Authority to Advertise
Contract No. 13-217
Generator Replacement
Mountain Lakes Radio Tower
North Salem, New York

The 2013 Non-Recurring Account contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to remove and replace the existing emergency generator along with replacement of all associated conduit and wire. The project also includes the replacement of the facility's HVAC unit.

The objective of this contract is to replace equipment that has reached the end of its useful life.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that uninterrupted power is provided to the Mountain Lakes Radio Tower facility in the event of a power failure, thus addressing the County Executive's priority area: Safety and Security (SS). There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
