Re: Resolution to exempt from the Westchester County Procurement Policy an Agreement with Bargaining Associates for the provision of consultant services in connection with labor negotiations and related matters, pursuant to Section 3(a)xxi of the Westchester County Procurement Policy and Procedures

Authority is requested from your Honorable Board to exempt from the Westchester County Procurement Policy a contract with Bargaining Associates for the provision of consulting services in connection with labor negotiations and related on-going contractual matters, including, but not limited to, arbitrations, grievances, unfair labor practices, improper practice charges and labor management committee meetings, for a term commencing September 1, 2013 through August 31, 2014 for an amount not to exceed \$78,000 payable at an hourly rate of \$200 pursuant to an approved budget.

Under Section 5(b) of the Procurement Policy, the County is required to issue a Request for Proposals for such services. However, Michael Wittenberg, one of the principals of Bargaining Associates and former Director of Labor Relations for the County, was, prior to his retirement, responsible for negotiating the County's contracts with its various labor unions. Because of Mr. Wittenberg's ongoing relationship with the College and County he is uniquely qualified. He has the institutional memory and relationship with County and union officials which are expected to expedite and facilitate negotiations. Given Mr. Wittenberg's vast experience and familiarity with County labor practices and procedures, it would be in the best interest of the County for his firm to provide consulting services to Westchester Community College in connection with labor negotiations and related matters.

Pursuant to Section 3(a)xxi, the Westchester County Procurement Policy and Procedures are not applicable to any procurement for which this Honorable Board determines, by resolution passed prior to commencing such procurement, that compliance with the policy would not be in the best interests of the County. Given Mr. Wittenberg's vast experience and

knowledge in County labor matters, it is proposed that the best interests of the County would be served by exempting the procurement of this agreement from the County Procurement Policy. Accordingly, a resolution to exempt the procurement with Bargaining Associates is hereby submitted for your consideration.
