TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: October 8, 2013

(New York State Contract K).

Authority of your Honorable Board is requested for the County of Westchester (the "County"), acting by and through the Department of Public Works and Transportation, to enter into an Agreement with the State to accept a grant of approximately \$186,259.00 for Capital Projects at the Westchester County Airport. The revenue from the State grant will be credited to the following projects:

A054A	Rehabilitation of Various Taxiways	\$18,840.00
A056C	Heavy Equipment Acquisition (2011-2016)	\$17,496.00

The objective of this Agreement is to accept State funding in order to reduce the cost to the County for each of these capital projects. These are projects that the County and its Airport would be responsible to fund directly were it not for the availability of Federal and State grant funds. Acceptance of these funds will relieve the Airport of substantial fiscal responsibility.

The County's Department of Public Works and Transportation will monitor and report the progress of these projects using its own staff and staff from other County departments as appropriate, and will be responsible to invoice the State for timely reimbursement as the costs are incurred.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

Accordingly, I recommend your Honorable Board's approval of the annexed Resolution authorizing the County to enter into this grant agreement with the State.
